

**REMARKS**

Reconsideration and the timely allowance of the pending claims, in view of the following remarks, are respectfully requested.

In the Ex Parte Quayle Office Action dated July 14, 2005, the Examiner objected to the Drawings, under 37 CFR §1.83(a), as allegedly failing to show a claimed feature; and objected to the Abstract as allegedly containing an informality.

By this Amendment, Applicant has amended the Abstract to cure the informality identified therein and has cancelled claims 9, 19, and 29 that recite a “linear actuator” which has not been depicted in the figures. Accordingly, Applicant respectfully requests the immediate withdrawal of the objections to the Drawings and the Abstract.

All matters having been addressed and in view of the foregoing, Applicant respectfully requests the entry of this Amendment, the Examiner’s reconsideration of this application, and the immediate allowance of all pending claims.

Applicant’s Counsel remains ready to assist the Examiner in any way to facilitate and expedite the prosecution of this matter. Please charge any fees associated with the submission of this paper to Deposit Account Number **033975**, Order No. 081468-308638. The Commissioner for Patents is also authorized to credit any over payments to the above-referenced Deposit Account.

Respectfully submitted,

**PILLSBURY WINTHROP
